STORY: Responding to Winter Storm Uri
When Winter Storm Uri hit in February 2021, it brought record low temperatures, rolling blackouts, power outages, and burst pipes, which caused widespread damage to many residences. Several Chinese churches opened their facilities as warming and charging centers, and some provided basic shelter. Many Chinese churches mobilized volunteers to help their neighbors repair damage from burst pipes. Clear Lake Chinese Church Deacon, Dequan Liu, led an effort to repair pipes and water damage in over 30 homes. Praise the Lord!
